

Part-Time Temporary Positions

Chemistry Instructors

Clark College is now accepting applications for adjunct chemistry instructors for courses in Winter, Spring and Summer of 2010.

Teaching duties may include general, organic and biochemistry courses for allied health professions students and general chemistry for science and engineering majors, associated lab courses and associated preparatory courses. Classes may be scheduled during the day or in the evening, and may be held on the Clark College main campus or on satellite campuses.

Minimum Qualifications:

- Requires Master's degree in Education or related field.
- College level teaching experience preferred.

Open until filled.

To apply, please e-mail, fax or mail a cover letter and résumé to:
